

Combating Heatwave

Combating Heatwave by MASTUL Foundation

In response to the heatwave, the MASTUL Foundation in collaboration with PRAN-RFL Group is actively distributing water and saline to passersby, rickshaw pullers, CNG drivers, students, and various community members. This initiative aims to provide immediate relief and raise awareness.

Celebrating Mothers' Day at Mastul School

MASTUL Foundation marked Mother's Day with a special celebration at the Mastul School premises. The event honoured mothers with heartfelt activities and expressions of gratitude, creating a memorable day for all attendees. Students participated enthusiastically, presenting performances and gifts to show their appreciation.

Free Eye Camp for Communities

MASTUL Foundation Hosts Free Eye Camp for Communities

MASTUL Foundation offers a free eye camp to individuals, aiming to raise awareness about eye care. The initiative provides essential eye check-ups and educates the communities on maintaining good eye health. Participants also receive free eye care kits and guidance on preventive measures.

MASTUL Foundation Establishes Sanitized Toilets for Communities

MASTUL Foundation is dedicated to improving public health by establishing sanitized toilets in local communities. This initiative aims to promote hygiene and prevent disease, ensuring a cleaner and safer environment for everyone. Access to proper sanitation facilities is a crucial step towards healthier living conditions.
