

MASTUL FOUNDATION

MONTHLY BULLETIN

25th EDITION (September, 2024)

MASTUL Foundation's Rehabilitation Program:

Rebuilding Lives After the Flood

MASTUL Foundation has launched a Rehabilitation Program to assist flood-affected individuals who have lost their homes. We provided essential materials, including tin sheets, to help them construct new shelters and begin rebuilding their lives.

Zakat Empowerment Program

Funding Small Business Ventures for Needy Individuals

In the Zakat Empowerment Program, MASTUL has disbursed nearly 9 lakhs to support individuals in need. This significant cash assistance is designed to help them launch small businesses, including tea stalls, vegetable stands, or fish selling ventures. By providing these opportunities, MASTUL aims to foster financial stability and self-sufficiency among the underprivileged. This initiative not only supports immediate economic needs but also empowers individuals to build a sustainable future for themselves and their families.

MastulAid:

A Lifeline for Patients in Need

Mastulaid is committed to assisting students injured during the July protest. We are providing medical care and support to help them recover and regain stability in their lives. Our goal is to ensure they receive the necessary treatment and rehabilitation to return to normalcy. Mastulaid stands by them during this challenging time, working to support their health and well-being. We hope for a swift and full recovery for all those affected.
